The day is finally here. The movie that has been on everyone's minds ever since it was rumored and then confirmed by Ranbir Kapoor and Katrina Kaif, "Kal Ho Naa Ho 2," is finally ready for its release! With what might possibly be the most anticipated release of the year, we decided to share a link which you can download the movie torrent on. The movie is a sequel to the 2004 hit and is set seven years after the first one. Ranbir and Katrina were last seen together in "Jab We Met." They'll be playing the same characters again in this film, although this time around, they're not as much in love as they were earlier. Once you download the torrent, let us know how you liked the movie by commenting on our Facebook page or tweeting us! However, if songs like "Naina" and "Bekhudi" are any indication, then it will definitely be fun! The soundtrack is set to be released on May 5, 2014.

After parting ways with the Nanda Family (Manoj Bajpayee), Ranbir Kapoor (Ranbir) sets out for London to seek revenge. But things have changed since he was last there. Now he is an internationally acclaimed musician who has done so much amazing stuff that he hasn't seen his parents for years. Upon reaching there, he comes across a girl named Nikita (Katrina Kaif) who was also abandoned by her father. Ranbir decides to help her but how far will his revenge go?
